When you think you are ready for a signature ask the teacher for a convenient time to consider your card.

Some indicators on the card take more time to achieve because they require consistency. This means you do it often, as second nature, otherwise you're improving on it throughout the term.

If you're unsure about how to go about showing your ability, ask teachers or Deputy Principals or our Principal for guidance.

Congratulations for taking further steps towards showing you care about good citizenship. To complete the level, you must show your teachers that you can be determined and persistent, confident and caring, organised and aware of others' needs. This card is project based from the work you did in Level 3. Using positive You Can Do It! self-talk and planning will help you be successful.
